

Dear Parents:

We were hopeful that this year we could register continuing students with an online process. However, due to technical difficulties, that option will not be available.

Instead, you will be receiving the form through the mail that you will need to update (please see both front and back of the form). Return that form along with the registration fee of \$500.00 per student between February 1-10, 2012 to enroll your student(s) for next year. A late fee of \$250.00 will be charged for registrations received after February 10th.

Please note that it is NOT necessary for you to obtain your Pastor's signature for those families wishing subsidized tuition. The school will forward the forms to the Pastors for their signatures and subsidy approval.

We are looking forward to having your children next year; it is going to be an exciting year!

Please call the school office at 436.7275 with any questions.

Thank you,

Deborah Frank

President/Head of School
