2018-2019 Common Application Essay Prompts

The Common Application has announced that the 2018-2019 personal essay writing prompts will be the same as the seven **2017-2018 essay prompts**. By conducting a review process every other year, rather than annually, we can hear from admissions officers, as well as applicants, **parents**, and **counselors**, about the effectiveness of the essay prompts.

With the announcement of the essay prompts and the ability for applicants to **roll over their Common App account each year**, counselors can introduce their juniors to the Common App now to help them start thinking about the application process. For more information, go to **Common App Ready**, a series of ready-to-use resources, presentations, training videos, and handouts covering everything from account creation through submission. Last year, we expanded this free tool with **Spanish language** translations.

2018-2019 Common Application Essay Prompts

1. Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.
2. The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience?
3. Reflect on a time when you questioned or challenged a belief or idea. What prompted your thinking? What was the outcome?
4. Describe a problem you've solved or a problem you'd like to solve. It can be an intellectual challenge, a research query, an ethical dilemma - anything that is of personal importance, no matter the scale. Explain its significance to you and what steps you took or could be taken to identify a solution.
5. Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.
6. Describe a topic, idea, or concept you find so engaging that it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?

7. Share an essay on any topic of your choice. It can be one you've already written, one that responds to a different prompt, or one of your own design.

The most popular essay prompt of the 2017-2018 application year (through January 5, 2018) is "Discuss an accomplishment, event, or realization that sparked a period of personal growth..." (23.6%), followed by the topic of your choice option (22.5%), and "Some students have a background, identity, interest, or talent that is so meaningful..." (21.4%).

"Through the Common App essay prompts, we want to give all applicants - regardless of background or access to counseling - the opportunity to share their voice with colleges. Every applicant has a unique story. The essay helps bring that story to life," said Meredith Lombardi, Associate Director, Outreach and Education, for The Common Application.
