I. INTRODUCTION

Dear Parents and Students:

This Parent and Student Handbook has been prepared for your information. Contained herein is every important policy currently in effect for St. Louis Catholic High School. Please read over the policies, rules and regulations that help St. Louis operate as a harmonious and safe school for all students. The Administration reserves the right to add and/or amend policies during the school year. Should this occur, you will be notified through the web site.

According to the Catechism of the Catholic Church, *“The way God acts in governing the world, which bears witness to such great regard for human freedom, should inspire the wisdom of those who govern human communities. They should behave as ministers of divine providence”* CCC 1884. Therefore, we at St. Louis Catholic High School have a moral obligation to be ministers of divine providence. We set forth these policies, rules, and guidelines, not to take freedom away from our students. Instead they are meant to be the means by which our students can be free in the truest sense of the word. To have the freedom to recognize their true human dignity as a son or daughter of God. In essence, we are allowing the students of St. Louis Catholic High School to recognize their true humanity and function as members of God’s family. These policies, rules and regulations have been established by the Office of Catholic Schools (OCS) and the St. Louis Catholic High School Advisory Council and administrators to build Christian community, to achieve academic excellence, and to create a safe and caring environment for all of our community, especially our students.

Please take the time to carefully read and discuss this handbook with your child. If you have any questions, please call the school office for clarification of policies. The Office of Catholic Schools Handbook of Policies is available in the administrator’s office for further clarification.

Called as friends of Jesus Christ and led by the knowledge and wisdom of the Holy Spirit, we gather to honor and praise God the Father.

MANTRA

Honor and Praise God...in all ways

STATEMENT OF PHILOSOPHY

St. Louis Catholic High School is an educational center for the Catholic Church in the Diocese of Lake Charles. Formed from its parent institutions, St. Charles Academy, Sacred Heart High School, and Landry Memorial, the first graduation was held in 1971. St. Louis Catholic High School continues a long tradition of providing its students with a Catholic education. St. Louis Catholic is named after King Louis IX of France and patron saint of Louisiana and Msgr. Louis Boudreaux.

The school, supporting the parents as the primary educators, strives to create an atmosphere in which the students value God and develop their own giftedness in order to take their respective places in the global community as responsible Catholic Christians. To accomplish this task each student is encouraged to be intellectually, morally, physically, socially, and spiritually prepared.

St. Louis Catholic High School is dedicated to the ideals of a living faith community in which mutual trust, mutual respect, and mutual responsibility are lived examples for all as we model our teacher, Jesus Christ.

PARENTS' ROLE IN EDUCATION

St. Louis Catholic High School recognizes that parents are the primary educators of students. An ongoing positive working relationship between the parents/guardians and the school is crucial for success. As part of that working relationship, parents/guardians are expected to be active participants in the educational process, to refrain from conduct which inhibits the orderly administration and operation of the school, to support and participate in school activities, and to provide instruction to and set positive examples for their children both at home and in the community. St. Louis Catholic High School reserves the right to terminate the enrollment of any student(s) in the event that it is determined by the school's administration that (1) a positive working relationship between the school and the parents/guardians no longer exists and/or is irreparably damaged or (2) that the parents/guardians have failed to provide the support, assistance and example necessary for the religious and secular education to which each child is entitled. Furthermore, failure on the part of any student and/or parent/guardian to abide by the rules, regulations and policies as outlined in the school handbook may result in termination of the student's enrollment from the school.

SPECIAL NOTE

The policies and procedures in this handbook have been prepared and presented to assist you in becoming an integral part of St. Louis Catholic High School. Our school considers you as an important part of its community; therefore, we want you always to be conscious of its traditions and expectations. We hope that the material you find here will help you maintain, and improve, its fine record and traditions. This handbook does not attempt to be an exhaustive list of all guidelines, but each student should remember that he/she is always a representative of our school community.

Further, the St. Louis Catholic administration reserves the right to amend this handbook for what it believes are justifiable reasons. If changes are made, all parents will be sent prompt notification. In this handbook, wherever "parent(s)" is used, "parent(s) or guardian(s)" is implied.

II. ADMISSIONS PROCEDURE

St. Louis Catholic High School is a co-educational, Catholic high school serving students in grades 9-12. Admission is open to students who wish to pursue a high school education in a safe, caring learning environment and who meet admissions standards. III. ACADEMIC POLICIES

PROGRAM OF STUDIES

The program of studies is based on the Catholic philosophy of education, the requirements of the Diocese of Lake Charles, the Louisiana Department of Education, AdvancEd/Cognia, and the general entrance requirements of colleges. It is designed to meet the needs of and to challenge the abilities of as broad a range of students as possible.

St. Louis Catholic High School offers a TOPS University (College Diploma) curriculum that includes a regular college preparatory program as well as an honors program. Course offerings include Pre-AP, Honors level, Advanced Placement and Dual Enrollment courses. Ninety seven percent of St. Louis Catholic High School graduates enroll in a four-year college.

Elective courses are a required part of the state's graduation requirements and are designed to give the student an opportunity to prepare himself/herself for careers. Such electives also provide a broader understanding and enjoyment regardless of a student's intended career path.

STUDENTS WITH SPECIAL NEEDS

St. Louis Catholic High School is open to students with disabilities who are seeking a Catholic education. It is our desire to help students with a learning difference achieve success in their academic courses. SLCHS offers opportunities for students with a disability to include 504 students, gifted and talented students, learning disabled students, speech/language disabled students, and students who fall on the autism spectrum are offered to the extent that SLCHS is able to meet the needs of the individual student.

St. Louis Catholic High School offers a Study Skills course designed to supplement academic classes and assists classroom teachers with accommodations for students who have an Individualized Service Plan approved by the State of Louisiana. Students may earn one elective credit per year in Study Skills.

Students with an Individualized Service Plan who are not placed in the Study Skills class may utilize the Study Skills classroom for approved accommodations as needed. Students and teachers are expected to follow the guidelines for testing accommodations or student drop-ins.

St. Louis Catholic High School also offers a class called Transitions for students who are pursuing a Certificate of Completion or high school diploma. The Transitions Program is specially designed to teach educational, vocational and life skills to students. Language arts, math, religion, science, and social studies lessons introduce, review, and practice skills in these academic areas. Vocational skills introduce and develop skills necessary for the transition into the work world following high school. Life skills and social skills include lessons to prepare students to live life as independently as possible and to their highest potential.

SLCHS established a Student Advocacy Team to make sure that all exceptional students have the services available to them to reach their optimum learning potential within the most enabling environment. The focus of the team is to identify and develop a plan that provide for the individual student's needs. For students accessing the general education program, SLCHS can provide accommodations through an Individualized Service Plan within the guidelines of the TOPS University Diploma curriculum. The goals for students:

- To incorporate techniques and study skills that will help students compensate for their learning differences

- To take ownership of their learning
- To celebrate their God-given talents
- To become independent life-long learners

Necessary paperwork and documentation must be provided to the school counselor to receive accommodations. Paperwork and documentation must be current and on file at school. St. Louis Catholic High School follows all procedures and policies as set forth within the Office of Catholic Schools Handbook.

GRADUATION REQUIREMENTS

Students must earn a total of 30 credits*, four of which are from theology and those necessary for an approved Louisiana Diploma or course of studies. Candidates for graduation who are approved by the administration will be allowed to participate in graduation activities. Only students earning an approved diploma and dressed appropriately, subject to the approval of the Administration, may participate in graduation activities sponsored by the school. Graduates will be searched prior to graduation and any student having anything in his/her possession that will disturb graduation will be removed from the activity. Any student disrupting the dignity of graduation activities will also be removed from the activity. Graduation candidates must attend all activities and practices.

**Transfer students may have fewer than 30 credits, depending on number of theology courses earned.*

- Have a minimum Weighted Cumulative GPA: 3.75 at the completion of Senior final exams

SCHEDULE CHANGES

Current SLCHS students enter their courses online in the spring after meeting in class with their counselor to discuss diploma plans, graduation requirements, course offerings and recommended levels of core courses. Students will be required to return a Course Selection Verification Form with parent signature approving their selection of courses. Changes to course requests can be made in writing by parents and will be reviewed by the counselor to determine placement level and space available. **The deadline to request a change in a course request is on or before the last student school day.** Changes to course requests will not be considered in the summer, unless there is a conflict in the master schedule that needs to be resolved, or to meet diploma or graduation requirements.

The fifth-class meeting of a course shall be the last time to add or drop the course without penalty.

Requests for level changes (from a PAP, Honors or AP) in a core course will only be considered through the first 9 weeks grading period (1st quarter) with the recommendation of the teacher, based on an evaluation of the student's ability or inability to handle material. The granting of the request will also depend upon the time the course is offered in the master schedule and the space available in the course sections. All level changes are final. Students are not allowed to change back into the previous level of

that course.

PROGRESS REPORTS

At the mid-point of each quarter, an Academic Progress Report will be available to each student on FACTS SIS. The purpose of progress reports is to give families a glimpse of a student's academic standing prior to the end of a grading period. This can either indicate outstanding achievement or provide a warning of a concern on the part of the teacher about the student's work and/or behavior.

INCOMPLETE

An "I" on a report card means "Incomplete" and indicates that a student has failed to do a portion of the required work due to extenuating circumstances. Administration, teachers and the student will work together to create a plan to make up the work in a timely manner.

ACADEMIC HELP

Whenever a student begins to experience academic difficulty in a specific course, he/she should contact his/her teacher immediately to request extra help. Teachers may also request with a 24- hour notice that certain students report to the teacher for extra help either before school, at lunch, or after school. Such a request takes precedence over all other activities. At times, the counselor may also contact a student concerning a need for extra help.

ACADEMIC PROBATION AND REMEDIATION

- I. At the first 4½ week grading period (Progress Report) of each quarter, students with 2 or more F's in any subject will be placed on academic support and have the Academic Review team:
 - a. Student, teacher(s), counselor and coach will create an academic improvement plan
 - b. Student will attend weekly tutoring sessions offered on campus.
- II. At the second 4½ weeks grading period (Report Card) of each quarter, students with 2 or more F's in any subject will remain on academic support and continue remediation with the following guidelines:
 - a. Student, teacher(s), and coach will meet to revise a plan to improve grades
 - b. Student cannot participate in any extra-curricular activity outside the school day
 - c. Student cannot practice with the team
 - d. Student will attend weekly tutoring sessions offered on campus.

Note:

The student remains on probation/remediation until he/she removes all but one F from his/her grades by the next grading period. At that time, the student may again participate in extra-curricular activities.

The Counseling department is responsible for distributing the list of students who have F's to sponsors and coaches. Coaches and sponsors are responsible for enforcing the policy.

DUAL ENROLLMENT

Dual Enrollment (DE) is the enrollment of a high school student in a college course for which dual credit (both college and high school credit) is attempted and recorded on both the student's secondary and postsecondary academic record. A college course offered for Dual Enrollment is: (1) an on-site or online college course taught by the postsecondary institution, or (2) a specially scheduled college course taught at the high school. Postsecondary institutions must adhere to Board of Regents Policy and must comply

with all accreditation requirements for awarding credit.

Students in Dual Enrollment courses receive grades from McNeese State University. Grades for those courses are determined by the university criteria. Students are reminded that all Dual Enrollment grades will be included on all future college transcripts and may affect a student's TOPS status the first semester of college.

Dual Enrollment students must follow all guidelines, including those for plagiarism, student dishonesty, and prerequisites, as set by the individual university, as well as all St. Louis Catholic guidelines.

Dual Enrollment courses are considered part of the Honors program at St. Louis Catholic High School and count as such in determining honor graduate status. However, no more than two DE courses will be applied towards the minimum of the seven advanced level courses needed to graduate with Honors.

Fees for Dual Enrollment are set each year by the cooperating university/college and are to St. Louis Catholic High School by the set date. St. Louis will then make a single payment to McNeese State University. Credit is issued for the college course by the appropriate institution, based on the college grading scale. Parents and students are responsible for all fees associated with the university credit. Failure to pay fees by university-set deadlines not only results in loss of college credit but may require a change to the student's schedule. DE courses receive a full Carnegie credit but are offered in semester terms. ***Unless approved by administration at the beginning of the school year, all students enrolled in any DE course must take one in both fall and spring semesters.***

Students enrolled in Dual Enrollment classes are also considered to be students of the applicable university. FERPA guidelines adopted by the individual university pertain to those classes. In general, students in those classes are considered adults by the university, regardless of age, and grades, transcripts, and other records are not accessible by parents unless a FERPA release has been signed by the student and are on file at the university. Dual enrollment grades, as recorded by St. Louis Catholic High School, are accessible by parents through FACTS SIS.

CARNEGIE UNIT POLICY (Reprint from OCS Handbook)

Schools may permit students to earn Carnegie Credit as middle school students in all courses except Health and Physical Education (Non-public Bulletin 741). Students may earn Carnegie credit by passing a course, in which the student is enrolled and meeting instructional time requirements as set forth in Nonpublic Bulletin 741.

Students meeting the instructional time requirements and passing the course, (70% or higher per Policy 8010 – Office of Catholic Schools – Handbook of Policies and Regulations) shall have the course title, grade earned, and Carnegie credit earned on their transcript.

Each elementary school is responsible for determining which Carnegie credit courses are offered and adhering to any certification policies required for teaching staff.

Each elementary school shall establish a policy by which parents and students are informed of the Carnegie credit courses that are offered as well as the requirements needed to enroll in a Carnegie credit class.

****Once a Carnegie Credit is earned with a passing grade (70% or above), that grade must be on the student's official transcript and the course cannot be retaken.***

SENIOR PORTFOLIO

A senior portfolio consists of the senior profile packet with the following attached:

1. A student's resume
2. Two letters of recommendation
3. A signed Senior Records Release form

Seniors are required to have a senior portfolio on file in the Counseling Department.

Scholarship and college applications cannot be processed if this requirement is not met.

TRANSCRIPTS OF CREDITS

Request for transcripts must be directed to the counseling office. A transcript of a student's credits will be sent on request of the student. No transcript will be sent if the student has not met his/her financial obligations. Transfer of credit is an official transaction between schools. An official transcript from another school will not be accepted directly from a student.

A student's test scores will be released as part of the transcript sent to colleges/universities unless a written request to withhold scores is received in the counseling department at the beginning of the school year.

GRADING POLICY

Grade changes - grades printed on the report card are grades as submitted by the teacher and are considered to be final. If a student believes an error has been made, he/she must contact his/her teacher within FIVE SCHOOL DAYS of the close of a quarter/semester requesting a review of the grade. If the grade is to be changed, the teacher must report that change, in writing to the Administration, so that a new report card may be issued to the student with the correct grade recorded.

Seniors will receive an unofficial copy of their eight-semester transcript at rehearsal for graduation. It is the student's responsibility to check grades, and, if applicable, challenge any discrepancies within three days of graduation. After this date, transcripts will be signed "as is." These will become the student's official transcript and a copy will be forwarded to the student's college of choice.

Grade transfer – to another high school will be submitted on the St. Louis Catholic High School letter grade scale. The receiving school will determine the method of conversion. St. Louis Catholic does not change or alter the grade scale in order to meet the receiving school's grading scale.

Grade computation - the grade point average is computed on all courses pursued by a student, even when the failed course is repeated in its entirety at St. Louis. GPA is reported to the hundredth.

LATE WORK POLICY

While it is expected that students will turn in assignments on time, we realize that certain unexpected circumstances may arise. Therefore, when a student requires extra time on an assignment, students should refer to the teacher's class syllabus for late work procedures.

FAIR ASSESSMENT POLICY

The primary purpose for grading is to give an indication of a student's progress. It is essential that all assessments be objective and fair for all students. To provide a clear picture of student achievement, a balance of formative and summative activities is expected as no one type of assessment will cover all the objectives of a discipline or appeal to the range of diverse learning styles found in our classrooms. Assessment of student learning and instruction is on-going and should include various forms of assessment. Teachers remain objective and attempt to give as accurate a picture as possible when assigning quarterly grades.

WITHDRAWAL AND HIGH SCHOOL CLEARANCE

Students may be withdrawn from SLCHS for several reasons, including but not limited to the following. In each case, the following conditions will be observed:

- Parents/guardians make the decision to withdraw the student for personal reasons. In this case, parents have a right to copies of all school records that pertain to their child upon fulfillment of financial obligations. These can be delivered only into the hands of the parents/guardians or sent to the receiving school with a signed parent release from that school.

- Disciplinary reasons such as expulsion necessitate the withdrawal of the student from school. Again, parents/guardians have a right to copies of all school records pertaining to the student.
- Lack of cooperation and persistent disregard for school policy from the student and/or his/her parents/guardians forces the school to insist on the withdrawal of the student from the school. In this case the following will be observed:
 - Documentation of at least three (3) separate instances when either the student or parent/guardian has failed to cooperate with school policies and procedures.
 - Documentation indicating that at least two (2) efforts have been made by the school to reconcile difficulties prior to the final action. These efforts could include conferences with the teacher(s), principal, or pastor.
 - A letter to the parents/guardians indicating the reason for the action, when the withdrawal of the student is to take place, and a statement indicating that the student is not being expelled for disciplinary reasons.
 - All financial indebtedness to the school must be reconciled prior to the official withdrawal of the student.
 - Notification of the action taken and a copy of the letter to the parents/guardians is to be sent to the student's pastor, if Catholic, and to the superintendent.
- Parents/guardians have a right to copies of all school records that pertain to their child. These can be delivered only into the hands of the parents/guardians or sent to the receiving school with a signed parent release from that school.
- In situations where policies or procedures have not been established, the principal has the authority to determine and invoke consequences or disciplinary action.

IV. ATTENDANCE

MINIMUM ATTENDANCE (Reprint from OCS Handbook)

All attendance guidelines in Non-Public Bulletin 741 should be followed. The Diocese will adopt a calendar that meets the states requirement of 57,750 minutes of instructional times per year.

Secondary students must be present a minimum of eighty (80) days per semester to be eligible to receive credit for the course taken.

Any student not meeting the minimum attendance requirement will not be promoted to the next grade.

ABSENCES

Absences will fall under four categories:

1. Educational and Excused: The student can make up the missed work and the absence is not counted against the attendance requirement. Examples are extended illness documented by a doctor or to celebrate religious holidays. There is no limit to these absences.
2. Non-Exempted and Excused: The student can make up the missed work, but the absence is counted against the attendance requirement. An example is a personal or family illness documented by a parent's note. The number of non-exempt and excused absences is based on the number of school days offered. Based on the required minutes, a student can be absent ten days.
3. Unexcused: The student is not allowed to make up the missed work and the absence is counted against the attendance requirement.
4. Suspensions: The student is allowed to make up the missed work but the absence is counted against the attendance requirement.

- Students who return to school without a written explanation from their parents of the absence will have three days to bring the note. After that time, the absence will be unexcused regardless of the reason for the absence. Educational absences are not included in the absence count and students **ARE** allowed to make up work missed. In accordance with state policies for non-public schools, secondary students who are not present to meet the minimum required minutes will not receive credit for the course in which the absences occur which includes excused and unexcused absences.

Any student not meeting the minimum attendance requirement will not be promoted to the next grade. Exceptions to the minimum attendance policies can be made only in the event of an extended personal

illness as verified by a physician or at the discretion of the Administration. The reason(s) for the exception must be communicated in writing to the superintendent of Catholic Schools.

NOTIFICATION OF ABSENCES

A parent must notify the school office by 9:00 A.M. on the day of the student's absence. An explanation for the absence must be given so that the absence can be declared excused or unexcused.

AN UNEXPLAINED ABSENCE IS AN UNEXCUSED ABSENCE.

NOTIFICATION OF POTENTIAL TRUANCY

St. Louis Catholic High School shall notify parents/guardians by letter of Non-Exempted, Excused and Unexcused when those absences reach the 5-day, 8-day and 10-day mark. Schools should work with the Office of Catholic Schools and the local School Board Truancy offices when necessary.

Exception to the minimum attendance policies can be made only in the event of an extended personal illness as verified by a physician or at the discretion of the principal. The reason(s) for the exception must be communicated in writing to the superintendent of Catholic schools. If a waiver of the attendance requirement is granted because of extenuating circumstances, students are eligible to make up missed work, receive grades and earn credit if they complete the missed work and pass the course.

In the case of extended illness or hospitalization, a doctor's note is required for any absence. *The doctor's note must be submitted to the school within three (3) days of returning.*

EDUCATIONAL ABSENCES

An educational absence may occur if a student is absent from regular classes because of some school-related activity (field trip, band, chorus, LHSAA approved event, etc.) To be eligible for an educational absence, the student must be in good standing with the school and obtain permission to miss class by his/her teacher. Sponsors shall provide all teachers with a list of students for such events 48 hours prior to the event. (This list should be sent by e-mail unless there is a temporary problem with the computers.) Any teacher that expresses concern for any student missing class time for such activity shall do so in writing to the sponsor in charge 24 hours before the event takes place. Sponsors will be responsible for notifying students who will not be able to participate in an activity due to a teacher's withholding permission. Students are required to meet with teachers prior to the approved absence to determine a make-up schedule and work missed.

LHSAA EVENTS

In accordance with the Louisiana High School Athletic Association which governs high school athletics, Article 10.2.2 states "A student shall attend school at least one hour prior to RELEASE TIME in order to be eligible to participate in a contest. Only the school administrator can grant exceptions to this rule."

The administration reserves the right to have a student make up any school time he/she misses.

V. RELIGION

All students at SLCHS must complete Religion requirements.

The curriculum follows the USCCB Doctrinal framework and are in accord with the guidelines of the Diocese of Lake Charles. Parents are the first and primary educators of their children. This is a basic assumption of all that is done in the sensitive and important area of education. Parents/guardians are encouraged and invited to discuss any and all of the material being taught at St. Louis Catholic High School with the Theology Department Chairperson.

GENERAL, HOLISTIC APPROACH

It must be stated that the foundation of the mandate from the Bishops is addressed in many general ways at school masses and school assemblies.

It is very important to understand that the specific teachings in Religion classes are provided in the environment of the conscious, holistic commitment on the part of St. Louis Catholic High School administration.

EDUCATION IN HUMAN SEXUALITY-DIOCESAN POLICY

Each school shall develop a program of education in family living, human sexuality, and sexual morality appropriate to the age and maturity of the students. SLCHS incorporated “Theology of the Body” into the curriculum of each grade level. The program shall be developed and administered according to guidelines issued by the Office of Religious Education.

VI. GENERAL POLICIES

CHRISTIAN SERVICE POLICY

At Saint Louis Catholic High School, in addition to seeking to maintain the highest of academic standards, we also seek to cultivate the heart of a servant in our students. We do this by requiring our students to actively serve the community because it is our duty to be the hands and feet of Christ.

Apostolic Hours

As part of the Theology Requirements, each student at St. Louis Catholic High School **MUST** successfully complete specific hours of apostolic service during the 2019-2020 school year. **At least half of all required hours must be of direct service to others.**

- 9th grade - 10 hours
- 10th grade - 15 hours
- 11th grade - 20 hours
- 12th grade - 25 hours

Half of the hours must be performed and turned in before ***Progress Reports of Quarter 2***. The remaining hours must be performed and turned in by ***Progress Reports of Quarter 4***. We encourage students to do a variety of service experiences during their four years here. Completion of Apostolic hours will be counted as a test grade (100 points) in both the 2nd and 4th quarters of the 2019-2020 school year. All hours should be documented on the Apostolic Hours Form which will be given and explained to each student in their Theology class during the month of August. These completed forms should be given to the student's Theology teacher as the student completes the service.

All hours will be recorded on the Apostolic Hours Form (*located on school website, Moodle page and in front office*) will be turned in to his/her Theology teacher upon completion of each service task. The students must obtain a signed letter from the organization to verify their service. The Apostolic hour program is not intended to be overly burdensome, nor are we aiming to "punish" those who do not serve. However, serving the poor and marginalized is at the very heart of the Gospel and therefore at the very heart of the mission of our school. We know and trust that the time and effort gifted by our students will not only benefit the community, but also the students themselves, as they learn valuable lessons of hard work, sacrifice, and seeing the face of Christ in the stranger.

Retreats

Retreats are a vital part of the spiritual growth at St. Louis Catholic High School. All students may attend retreat programs. Seniors will attend an overnight off-campus retreat. During the school year the faculty attends periodic retreats for their spiritual growth and nourishment. ***Attendance at all retreats is mandatory for St. Louis Catholic High School students.***

- Cutting into line is prohibited; students observed doing so will be sent to the end of the line.

- Students are expected to take responsibility for the entire table at which they sit, including the floor, so there will be no litter left when the table is vacated. This is a very simple request and makes a great difference in maintaining a pleasant eating situation for classmates.
- Trays, utensils, cups, and milk cartons, etc. are to be returned to the dishwashing area as soon as students finish eating. Students may then return to their tables to “visit.”
- Students are not to sit on cafeteria tables at any time.

Parents also have the right to refuse to allow the student to participate in the field trip activities. In addition, teachers of classes the students will miss may refuse to sign the permission form on academic grounds.

The counseling relationship is primarily focused on assisting each pupil to understand himself/herself in relation to God, Church, and the social and psychological world in which one functions. The department attempts to reach out to all students and offer assistance with college plans, work, future careers, personal counseling, academic counseling and a variety of special services. Each year parents are asked to fill out a volunteer form indicating how they might be willing to volunteer. VIII. DISCIPLINE

The foundation of any code of conduct is the concept of self-discipline. Based on the example of free will given by God to his people, we attempt to encourage students to do the right thing at the right time in order to provide a Christian environment of respect and understanding in which all members of the St. Louis community can feel comfortable and secure.

Students are encouraged not only to follow the specific rules and procedures set forth in this handbook, but also to observe the general rules of good conduct, which include showing respect for teachers, other students, and the school itself. Therefore, a student must refrain from conduct that is detrimental or harmful to him or herself and/or to others. Any view that a particular violation of good conduct is not subject to discipline, because it is not specifically contained in this handbook, is unacceptable. Such a view is contrary to the purpose and goals of this handbook.

STUDENT CONDUCT

Registration with St. Louis Catholic High School is deemed an agreement by students and parents to be familiar with school regulations and to comply with them. The guidelines are strictly for the purpose of maintaining a quality academic and Christian atmosphere.

The purpose of St. Louis Catholic High School is not simply to develop academic skills. The school wishes to show the importance of values such as courtesy, respect, humility, concern for others, honesty, integrity, and trust. The ultimate goal is developing persons who are capable of responsible freedom and who exhibit healthy attitudes toward life and others.

The following guidelines are not supposed to be exhaustive. They assume good will and good judgment on the part of the students and parents.

Behavioral Contract/Probation is a serious warning to a student who persists in disregarding school regulations. Unless the student shows a definite improvement in behavior, suspension or expulsion follows. The term of probation will depend upon the severity and nature of the offense. All probational occurrences require a meeting of student, parents/guardians, and Administration before the student can return to school. Both student and parent must sign a behavioral contract at this meeting. A student may be placed on probation for a single, major offense.

PROCEDURES FOR BEHAVIOR DOCUMENTATION

- Verbal warning issued to student with specific details as to violation.
- If minor infraction continues, official warning entered in FACTS SIS without demerit.
- On 3rd infraction, a Referral entered with demerit.
- Referral is emailed to parent and Administration.
- Student meets with Administration, completes behavior reflection and consequence is assigned.

REFERRAL: A referral is a written report of a behavioral infraction. It is provided to the Administration by the teacher and kept on file through FACTS SIS. Administration determines disciplinary action for a referral.

CONSEQUENCES

- Detention (lunch or after school)
- Saturday Detention
- Suspension
- Behavior Contract/Probation
- Expulsion

DETENTION: It is conducted and moderated by the administration under the supervision of the Administration. Failure to attend an assigned detention may result in suspension. Both lunch and after school detention will be set weekly by the Administration. After the 2nd detention issued within the same semester, the 3rd detention will result in a Saturday detention. Any further detentions may result in a parent meeting and student suspension. All detention notices must be returned with a parent signature.

SATURDAY DETENTION: Held quarterly from 8:00 a.m. to noon. Students assigned to Saturday detention must be at the front entrance of the school, in school uniform, promptly by 8:00 a.m. Students should bring textbooks and class materials.

SUSPENSION: Suspension is a severe punishment. The parent/guardian of the student will be notified prior to the suspension. Administration will determine if the suspension is IN SCHOOL or OUT OF SCHOOL SUSPENSION. A student that has been suspended cannot participate in any extra-curricular activity on those specified days.

BEHAVIORAL CONTRACT/PROBATION: A behavioral contract may be necessary, as deemed by the school-level discipline committee if the student has experienced chronic behavioral problems and/or a serious behavioral problem. During the contractual time, no serious misconduct will be tolerated. At the end of the contract, a student may be removed from probation, may have the probationary period extended, or may be subject to withdrawal or expulsion.

EXPULSION: Expulsion is the most serious behavioral consequence. Should a student be subject to expulsion, a complete review of the situation would be handled by the discipline committee, including the Rector and Superintendent of Catholic Schools.

MINOR CONSEQUENCES VIOLATIONS

1. Violations one, two and three – Administrator, teacher, or staff member will enter violation in FACTS SIS without demerit.
2. After the 3rd minor violation entered, the student will be assigned a consequence and time for reflection of behavior and a detention
3. Further minor violations will result in both restorative justice practices, consequences and meeting with parents.

The following will be considered Minor Violations and the minor violation procedures and consequences are to be followed. The Administration, along with discipline committee will determine the severity of the infraction and consequences.

1. **Cafeteria:** Students are expected to keep area clean and self-regulate noise level.
2. **Dress Code:** Please note the St. Louis Catholic High School Dress Code.

The length of the suspension shall be governed by the length of the investigation. This suspension time shall not count as part of the number of days absent when determining passing and failing according to state attendance regulations but shall be considered excused absence time. The student shall be allowed to complete assignments at home and may be allowed to make up all tests either under supervision at home or upon returning to school.

CORPORAL PUNISHMENT (Reprint from OCS Handbook)

CORPORAL PUNISHMENT IS NEVER PERMITTED IN THE SCHOOLS OF THE DIOCESE OF LAKE CHARLES

Although corporal punishment, within a reasonable degree, is actually permitted as a method of discipline in the schools of Louisiana by state law, this practice stands against the very ethos of Christian behavior. Corporal punishment shall include, but is not limited to, the following actions: spanking, shaking, slapping, pinching, hair pulling, etc. In the event that a teacher should strike a child or use any other form of inappropriate physical restraint upon a child, the teacher shall inform the principal immediately and shall file a written explanation of the incident with the principal within twenty-four (24) hours of the incident.

SCHOOLS AS WEAPONS FREE ZONES (Reprint from OCS Handbook)

Schools must follow the regulations as stated in Louisiana State law. It is a crime for any person, student or non-student, to carry a firearm or any other type of dangerous weapon within 1,000 feet of school property, onto a school campus or bus, or at school sponsored athletic, social, or extracurricular activities. The person who does this should be immediately reported to the police. The principal should notify the parents of any student who is arrested for violation of this statute.

CRIMINAL ACTS

A student accused of a criminal wrong can be placed on home study pending the outcome of judicial review proceedings or internal investigation by the principal.

IX. COMMUNICATION

In keeping with the church's principle of subsidiary, St. Louis Catholic High School encourages problem solving at the lowest level possible in order to assure proper resolution. Persons with concerns about a teacher should first attempt to address the concern with the teacher. If the attempt to resolve the concern fails, the parent is asked to address the concern with the department head. Should concern persist, the parent should contact the office to schedule an appointment with the administrator.

Department Heads are:

Students are not permitted in school buildings after 3:15 unless working with a teacher.

All students are expected to take their books with them after school. Athletes, yearbook staff, student council and all others taking part in after school activities will not be permitted in any part of the school buildings other than their assigned area after 3:15. Students should not ask to be let in the buildings to get books or personal belongings.

A reasonable degree of quiet and order must be maintained in the corridors and hallways before school and between classes. Good order prevents accidents. Students are asked to observe the locker regulations and not to loiter or block hallways between classes.

ASSIGNMENTS

Students should check Moodle and email every school day. Each teacher posts a tentative weekly agenda on Moodle that outlines what is happening in class along with homework and due dates. Students who are absent can check the weekly agenda on Moodle to see what was missed and can email the teacher for any clarification needed.

PA ANNOUNCEMENTS

PA announcements are made daily. All club/sports announcements must have the signature of the club sponsor/coach and the approval of the Administration. Announcements are to be submitted to the office no later than 8:00 a.m. Announcements will be made in the morning on regular schedule days.

WEEKLY SCHOOL TO HOME COMMUNICATION

Per Diocesan Policy 6019, schools shall communicate regularly with parents to include a calendar of events, an account of significant school activities, programs, news and reports on student achievement. At St. Louis Catholic High School all parents are sent weekly updates through the school's *Halo Notes* which is emailed to parents and available on the school website.

MESSAGES AND TELEPHONE USAGE

POSTERS

No decorations, flyers, or posters of any type are to be put on any part of the building without permission of the Administration. Students permitted to post signs are responsible for the timely removal of the posters.

GRIEVANCES (Reprint from OCS Handbook)

Every Catholic school of the Diocese of Lake Charles must make available to the school community the following procedures.

In keeping with the Gospel values of justice, compassion and reconciliation, the following regulations and procedures are designed to facilitate a resolution of any grievance at the lowest possible administrative level and in a cooperative manner.

Grievances may be registered according to the following guidelines:

- 1) Any parent or guardian may file a grievance on behalf of a student about any dispute relating to the application or interpretation of any school related policies.
- 2) Any school employee may file a grievance about any dispute relating to the application or interpretation of any employing school or diocesan school policies.
- 3) Any parent or guardian may file a grievance on behalf of a student who has been expelled from a Catholic school.
- 4) Any parent, guardian or school employee may continue the grievance process should there be dissatisfaction with a decision made except if that decision or action is the final judgment of the bishop.

Criticism and complaints which do not involve violation of local or diocesan policies should be addressed to the principal. These are not considered grievances as far as this policy is concerned.

Neither party to the grievance shall be represented by any legal counsel during any phase of this process.

Ascending Levels of The Grievance Process

The following is an outline of the ascending levels of the grievance resolution procedure:

- 1) Initial process at the local level:
 - a. **If the grievance is with a teacher**, there must be an initial conference with the teacher. If this conference fails to resolve the grievance then there must be a conference with the principal.
 - b. **If the grievance is with the principal**, there must be an initial conference with the principal,
 - c. If the conference with the principal does not resolve the problem the process enters the formal stage.
- 2) Formal process at the local level:
 - a. Completion of the official Diocesan Grievance Form by the party filing the grievance.
 - b. Submission of the Diocesan Grievance Form to the local school board president.
 - c. Appeal hearing with the local school board grievance committee.
- 3) Formal process at the diocesan level:
 - a. Submission of the Grievance Form to the Superintendent of Schools through the Office of Catholic Schools.
 - b. Appeal hearing with the Diocesan Grievance Committee.
 - c. Decision of the Bishop of the Diocese of Lake Charles.

Explanation of The Grievance Process

The following procedures shall be strictly adhered to and any alteration of the procedures shall terminate the process.

Initial Resolution Process at The Local Level

A grievance may be made by a student's parents against a teacher or the principal, or by an employee against the principal. The person or persons initiating the grievance shall be referred to as the complainant(s). All people involved in the grievance shall endeavor to reach a mutually satisfactory resolution of the matter at the initial level.

An initial conference or conferences shall take place at which the problem is discussed and attempts are made to bring the grievance to resolution. Without exception, initial attempts must be made to resolve the issue before the formal process is begun.

If the complainant has a grievance with a teacher, he/she must first have an initial meeting with the teacher and then, if the issue is not resolved, must have a meeting with the principal.

If the complainant has a grievance with the principal, he/she must first have an initial meeting with the principal and then, if the issue is not resolved to the complainant's satisfaction, the complainant may begin the formal process.

Each school will publish the official Diocesan Grievance Form for distribution whenever requested.

On the official Diocesan Grievance Form, the complainant must provide dates for the initial conference(s) held at school with the teacher and/or the principal.

Formal Resolution Process at The Local Level

If a satisfactory resolution is not reached at the initial level, the complainant may begin the formal process. A formal grievance may be withdrawn at any level without prejudice or record.

Level I: Appeal to the Local School Advisory Council

- 1) The Diocesan Grievance Form must be submitted to the president of the local school board within ten (10) school days of the conference with the principal, with the signed statement of the complainant indicating their desire to appeal. The president of the local school board will notify the pastor and will call a meeting of the local school board Grievance Committee within ten (10) school days of receiving the Diocesan Grievance Form.
- 2) The pastor and the local school board grievance committee will meet with all parties concerned to hear the grievance. Written records of all committee meetings shall be carefully made.
- 3) The committee shall make a recommendation to the pastor after the meeting with the parties involved. The pastor may accept, reject, or modify the committee's recommendation, and his decision must be communicated in writing on the official Diocesan Grievance Form to the complainant within ten (10) school days. He shall also identify the person to whom an appeal may be directed should the complainant so desire.

Formal Grievance Process at The Diocesan Level

Level II: Appeal to a Diocesan Grievance Committee

- 1) The Diocesan Grievance Form may be submitted to the Superintendent of Catholic Schools within ten (10) school days of the local school board grievance committee decision at Level I.
- 2) The superintendent will then convene a formal committee, established by the Moderator of the Curia to hear the complaint within ten (10) school days of receiving grievance form.
- 3) All materials submitted at Level 1 shall be submitted to this committee.
- 4) Written records of all committee meetings shall be carefully made.
- 5) The committee shall hear all parties involved in the grievance and shall review all materials presented at Level I, and any testimony that it deems relevant.
- 6) The committee's final decision shall be communicated in writing by the superintendent to the bishop within ten (10) school days of the hearing.
- 7) The bishop may accept, reject, or modify the committee's recommendation. His decision shall be final for all purposes. The bishop will communicate his final decision to the all parties involved within ten (10) school days.

SLCHS DRUG AND ALCOHOL TESTING PROCEDURES

Initial Setup

1. A set of random numbers will be established and individually assigned to each current student to protect the identity of the student. The Drug Testing Coordinator and the Testing Facilitator will be the only individuals with knowledge of the random number/student relationship.

2. Numbers will be chosen randomly to facilitate testing on the predetermined testing days.
3. Any student may be chosen for testing where probable cause exists.
4. Those drugs tested for are identified as “Illegal Drugs” in the Principals Executive Order 12564 and are the mandated drugs for testing by the Federal Government in both urine and hair tests.
5. A standard screen covers a period of approximately ninety (90) days. The hair sample is cut as close to the scalp as possible and the most recent 3.9 centimeters (approximately 1½ inches) are tested.

Testing Procedure

1. Hair can be collected from several locations on the head. Body hair can be used as an alternative to cranial hair. Arm, leg and chest hairs (male only) are appropriate in this testing procedure.
2. The Facilitator fills out the appropriate paper work and identification is processed using the predetermined randomly assigned number. The student will have the opportunity to list any and all medications taken in the last ninety (90) days. The student ID number will be the assigned identification number.
3. The Facilitator will remove approximately 3.9 centimeters of hair from the individual. The sample is placed into the proper receptacle with the root end clearly marked. The sample is then deposited into the first of two receptacles for storage. The student identifies the storage devices with his/her initials. The final protection against tampering is an adhesive tamper proof strip placed over the final packaging.
4. The acquired samples are then placed into a safe located inside of the school’s vault. The school will use overnight mail to send the samples to the testing center on a weekly basis.
5. A Chain of Custody form will follow the samples to the lab and require signatures of all persons coming into contact with the sample.

Notification of Results

1. The Drug Testing Coordinator will receive the results.
2. A positive test result will be communicated by a telephone call and by certified letter from the Drug Testing Coordinator to the parent and/or guardian of the student. The Drug Testing Coordinator will request a meeting to discuss the situation. This meeting will include the parent and/or guardian along with the student. Attendance by a school Counseling Counselor and Chaplain is optional and made available upon request of the Drug Testing Coordinator or the parent and/or guardian.
3. The student can choose to have a retest done by a school approved testing facility at the parent’s expense at any time.
4. A school retest date will be established approximately one hundred (100) calendar days from that meeting.
5. Upon request, the Counseling Counselor will provide the parent and/or guardian with available services in the community. The responsibility to utilize these services rests with the student and his/her family.

Retest Procedure

1. On the scheduled date a student who tested positive will be retested following the procedures as stated above.
2. A student who tested negative may be subject to a retest where probable cause exists.

Consequences

1. A student who tests positive for the first time will attend a meeting with parents and school-level team.
2. Complete a reflection on current behaviors.
3. Serve a consequence set forth by school-level team.

4. Complete a drug counseling program at parent's expense.
5. May not attend any school activity until retested.
6. A student who refuses to be tested/retested will be dismissed from St. Louis Catholic.
7. Any individual deliberately tampering with results, falsifying records, or attempting to make financial profit from this test procedure will be dismissed from St. Louis Catholic High School.

Consequences for Failed Retest

1. A student who tests positive on the retest may be dismissed from St. Louis Catholic High School.
2. Student will meet with school-level team to formulate a contract
3. A student who has removed all appropriate hair to hinder the facilitation of the hair sampling drug will be dismissed
4. If dismissed for any of the above reasons, a request for re-admittance will be considered after six months If:
 - the student and family have participated in and successfully completed an extended alcohol or drug treatment program, which is fully licensed and certifiable in the treatment of addictive behaviors. An evaluative progress summary from such a program will be required and permission for the release of this documentation given to school administrative personnel for re-admittance consideration.
 - the student has completed six months of sobriety from any alcohol, addictive drug or chemical use.
 - a student being considered for re-admittance must submit to a new drug test, at his/her expense, and the results must be negative.

All procedures are to be consistent with the testing company, Diocese of Lake Charles, and Diocese of Lake Charles Law Office requirements.

ALCOHOL TESTING PROCEDURE

1. Hand-held breathalyzers will be made available to the staff and faculty of St. Louis Catholic High School. They will be instructed in the use of the machines.
2. The breathalyzers and staff or faculty to operate them will be available at all school-related activities.
3. Students will be required to submit to the test on a random and/or suspicion of use basis. Failure to submit may be reason for expulsion.
4. Consequences for failing the breathalyzer test will be notification of parents and will be consistent with the student/parent handbook.

XII. SEARCH AND SEIZURE POLICY

At St. Louis Catholic High School, the student's right to privacy is respected; however, when there is "probable cause" to believe that stolen items, illegal drugs, alcoholic beverages, or other items specifically prohibited by law or school regulations are in lockers, desks, on the person, in cars, these may be searched.

School officials may require a student to reveal the contents of his/her purse and/or items carried on his/her person when there is reasonable ground to believe that the student has items prohibited by law and/or school policy.

Similarly, when there is reason to believe that a student has possession of illegal or stolen property, the individual or entire group may be detained and an on-the-spot search may be conducted. Items found that are stolen and those whose use is specifically prohibited may be used as evidence in school disciplinary proceedings against the student.

SEARCH AND SEIZURE (Reprint from OCS Handbook)

In that legal relationship between the Catholic school and the student (or the student's parents/guardians) is one of contract law, the school's handbook of rules and regulations governing school operations and procedures must contain a statement concerning the use of lockers, the possession of illegal substances and objects, and the resulting disciplinary action for violation of the school rules in these areas.

The school principal, or his/her designee, may search students themselves, or their lockers, or the students' belongings, including, but not limited to, handbags, briefcases, book bags, etc., under the following conditions:

1. The students have been warned in writing (via the student handbook) or orally (before an assembly) that lockers or belongings will be searched and inspected periodically for neatness and/or for contraband substances for the purpose maintaining discipline and order.
2. The administrator must have a reasonable belief that contraband, illegal substances or objects, or stolen property are being concealed or that a violation of a school rule related to the maintenance of discipline in the school has been committed. The administrator must not act arbitrarily nor capriciously but must have a good reason for the search and seizure.
3. The search of a person necessitating the removal of clothing should be conducted only in the presence of a law enforcement official.

RELEASE OF STUDENTS TO POLICE (Reprint from OCS Handbook)

The following procedures shall be observed when students are released to police:

1. Ask for identification to verify that the person is a police officer. The officer is not required to present a warrant speak with a student but will be required to wait until parents are notified and given reasonable time to come to the school.
2. Contact and ask the parents/guardians to come to the school to be present with the student during the interview. If a parent/guardian cannot come to school, the principal or his/her designee will sit in for the interview in loco parentis.
3. A warrant for arrest must be presented by a police officer before removing the student from the school. If the student has been involved in some suspected illegal activity immediately prior to the police arrival on campus, or while the police officer is present, the principal must contact the parent/guardian to come to the school.
4. If the parent/guardian cannot come, the principal or designee must accompany the student to the police station.
5. Contact the superintendent within 24 hours if a student is arrested.

XIII. OTHER DIOCESAN POLICIES

HARASSMENT (Reprint from OCS Handbook)

The schools of the diocese do not condone harassment of any kind. All students of the Diocese of Lake Charles are to be treated with dignity and respect. Harassment in any form is prohibited. This prohibition against acts of harassment applies to all people engaged in all school related activities: all students; regular or temporary, part-time or full-time employees; volunteers, itinerant instructors, and consultants. It also applies equally to all clergy, religious, and lay persons.

Sexual harassment shall be defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of a student's
2. academic success or academic success or achievement of any other nature.
3. Submission to or rejection of such conduct by an individual is used as the basis for decisions affecting the student.
4. Such conduct has the purpose or effect of unreasonable interference with a student's school Performance or of creating an intimidating, hostile, or offensive school environment.

Verbal harassment shall include derogatory remarks, jokes, or slurs, and can include belligerent or threatening words spoken to another.

Physical harassment includes unwarranted physical touching, contact, assault, deliberate impeding or blocking movements, or any intimidating interference with normal school work or movement.

Each school shall establish a policy regarding the identification, reporting, investigation, and disciplinary action taken for any reported instances of harassment involving any members of the school community. This policy shall be published for all persons in the school community and should be in the school's faculty and parent-student handbook.

MARRIAGE DIOCESAN POLICY (Reprint from OCS Handbook)

Married students shall not be permitted to attend the Catholic schools of the Diocese of Lake Charles.

MATERNITY-PATERNITY REGULATION (Reprint from OCS Handbook)

Catholic schools of the Diocese of Lake Charles are concerned with the Christian moral development of individual students and student bodies as a whole. In a society which often undermines Christian values and principles, we strive to provide an atmosphere which stimulates and fosters the growth of these same principles.

Pre-marital sex is not in keeping with Christian values and principles and violates the moral teachings of the Catholic Church. Therefore, it is not acceptable for Catholic school students. Moreover, Catholic schools are concerned with respect for life as well as the individual. Should pregnancy occur, every possible measure should be taken to encourage counseling, health care, continued education and direction to help each student make mature decisions in accordance with the directives of the Roman Catholic Church.

The following guidelines shall be observed:

1. The school will accept responsibility in such cases as follows:

- a. All counseling provided by the school will be directed to respect life.
 - b. Once pregnancy is confirmed in order that the health and safety of both mother and child be insured, the decision to remain in school is left to the discretion of the local school administration. The attitude of the student and her parents towards the moral teachings of the Catholic Church shall be given serious consideration in this matter. Alternatives should be explored to offer what is best for the pregnant student, her family, and the unborn child.
 - c. All reasonable attempts should be made for the pregnant student, together with her family, to participate in counseling through the school, through her parish clergy, and through professional counseling services recommended by Catholic agencies.
 - d. All reasonable attempts should be made to ensure that the pregnant student will continue her education after the baby is born. The continuation of her education in the Catholic School System depends upon:
 - i. The recommendation of professional counselors;
 - ii. The psychological well-being of the student;
 - iii. The student's previous academic status in school and the level of her academic achievement during the pregnancy period.
2. The final decision concerning the continuation of her education in the Catholic School System is left to the discretion of the local school administration.
 3. The Administration and faculty will assist the teenage father and his family by referring them to Counseling through the school counselor, parish clergy, or through professional counseling services recommended by Catholic agencies. Consideration will be given to the appropriateness of allowing the father to remain in school.

To ensure the safety of the pregnant student and the unborn child, written consent from a physician is required for a pregnant student to attend school during the pregnancy.

Students who are pregnant or a student who is a father, during pregnancy, shall not participate in extra- or-co-curricular activities.

XIV. ADVANCEMENT

ALUMNI

The Alumni of Consolidated Catholic Schools was formed to foster the bonds of friendship among alumni, to offer intellectual, spiritual or material resources to the school, to offer alumnus counseling in his Christian life, and to provide a unified nucleus of leadership that will exert a Christian influence on our community. With an international membership of some 7,000 alumni of Landry Memorial, St. Charles Academy, Sacred Heart, and St. Louis Catholic High School, this organization promises to be one of St. Louis' strongest supporters. Anyone who attended one of the four merging schools is considered an alumnus. After graduation, students are urged to keep the Advancement Office advised as to any change in address.

THE SAINTS FUND

The Saints Fund is St. Louis Catholic's campaign for unrestricted annual giving. It is the vehicle by which alumni, parents, parents of alumni, grandparents and friends provide financial support to help keep St. Louis Catholic strong. Contributions to The Saints Fund represent real savings for our young men and women and their families.

The Saints Fund adds to the general fund of the school's budget to help improve facilities, purchase state-of-the-art equipment, upgrade technology and recruit and retain outstanding faculty – all ensuring the continuation of quality education for our Saints students!

By making your gift today, you are helping St. Louis Catholic stay faithful to its mission and continue building tomorrow's leaders.

All Saints clubs, teams and organizations will be supported by this fund so that our constituents will no longer be burdened with traditional fundraising activities.

PATRON SAINT BUSINESS ALLIANCE

The Patron Saint Business Alliance Program is the year-round advertising initiative at St. Louis Catholic High School designed to provide your business with true marketing value while providing critical funding to help enhance student programs. We offer three different sponsorship levels with corresponding benefits: King Louis (\$10,000), Platinum Louis (\$5,000) and Gold Louis (\$2,500).

ST. LOUIS CATHOLIC HIGH SCHOOL FOUNDATION

The St. Louis Foundation, the Trust Fund for The Future, was established in 1983 for the sole purpose of giving financial assistance to St. Louis Catholic High School. Any gift would be appreciated: one-time gift, recurring gift, planned giving or an endowed scholarship.

Memorial Fund

A gift to the St. Louis Foundation is a fitting memorial in honor of a loved one or to acknowledge a birthday, wedding, anniversary, Christmas or other occasion. All gifts are invested perpetually with only the interest being spendable.

Endowed Scholarship

It is the desire of the St. Louis Catholic High School community to provide a Catholic education to all students who meet the criteria for admission and who choose St. Louis Catholic for their high school education.

Governed by a Board of Directors, the St. Louis Foundation distributes one-half of its earned income to the school and reinvests the second half, meaning that every gift to the Foundation is perpetual.

To provide additional support to the school in the form of scholarships, and to offer donors a means of permanently naming a scholarship in honor or in memory of a loved one, The St. Louis Foundation Endowed Scholarship Program has been established.

Donors will receive recognition or remain anonymous according to their wishes. The donor decides upon what basis the scholarship is distributed, as long as it is consistent with the principles of Catholic education. For example, the scholarship criteria may be based upon a student's academic accomplishments or financial need.

Planned Giving

The St. Louis Legacy Society consists of forward-thinking individuals who make or bequeath planned gifts of any amount to secure the future of St. Louis Catholic High School.

Planned gifts usually are gifts that you plan now but the school does not receive until later. When received, planned gifts are held and invested by the St. Louis Foundation.

XV. EMERGENCY AND CRISIS PROCEDURES

EMERGENCY DAYS (Reprint from OCS Handbook)

In the event of emergency bad weather conditions, the superintendent of Catholic schools will follow the decisions made by the respective civil parishes' public school superintendents for the closing of schools. The diocesan superintendent will alert the media to the fact that the Catholic schools will follow the lead of the public school systems when an emergency closure occurs.

When it is officially announced that schools in a particular civil parish are closed, all must close. There is no local option to this kind of announcement.

In case of any other emergency, the Administration shall confer with the diocesan superintendent before any official announcement of school closure is issued. The superintendent will notify the media of these individual closings.

FIRE DRILLS

Fire Drills are held within the school day at regular intervals and are required by law as an important safety precaution. Students are expected to conduct themselves in a manner which reflects responsibility for their safety and for that of their classmates.

When the alarm sounds, all students must follow the procedures listed:

1. All students are to respond immediately;
2. Turn off all lights;
3. Close nearby windows with the last person out closing the door;
4. Walk quickly and quietly to the assigned location. Do not push or run. Remain in the safety area until the signal is given to return to the classroom.
5. Remain with the class throughout the drill. The teacher will be taking attendance in the safety area.
6. Always assume that there is a fire. There is never an occasion when anyone is to remain inside the building during a fire drill.

The evacuation routes are posted in all classrooms for the most efficient evacuation of the school building in case of fire. Please exit accordingly.

BLACKOUTS (power failure)

In the event that a power outage takes place, the emergency lights in each foyer should come on. In such cases,

1. Students should not panic.
2. Students should remain in their desks.
3. Students should wait for further instructions from the administration.
4. If dismissal from the room has occurred, students are to stay with their class until power is restored or until school is dismissed.

TORNADO

In the event of a tornado, classes that are against the outside walls should move into the department foyer, and huddle in a kneeling position with heads down and covered by hands. Classes away from outside walls should remain where they are and assume this same body position. The Commons is not a safe place in the event of a tornado. Some Drew Wing departments have glass windows; those teachers should do what they can to help students to stay clear from flying glass and other objects.

LOCK DOWN PROCEDURES

In a lock down situation, the Administration will follow the direction and guidance of local law enforcement. No students or parents will be admitted or released during this time.

ST. LOUIS CATHOLIC HIGH SCHOOL PLAGIARISM CONTRACT
ST. LOUIS CATHOLIC TECHNOLOGY POLICY
DIOCESE OF LAKE CHARLES INTERNET USE CONTRACT
ST. LOUIS CATHOLIC HIGH SPORTSMANSHIP POLICY
STUDENT HANDBOOK CONTRACT

ST. LOUIS CATHOLIC HIGH SCHOOL PLAGIARISM CONTRACT

OBJECTIVE: To promote intellectual honesty and ethical values

- To develop mutual knowledge construction
- To support students in proper citation of resources

Students are expected to conduct themselves in a responsible manner and maintain academic honesty and integrity. Plagiarism is a form of cheating, lying, and stealing. Using the ideas, thoughts, words, or insights of another person and submitting them as original thought are dishonest acts. Claiming to author another's work that is not your original thought is plagiarism. All printed work, including internet articles, charts, graphs, photographs and pictures, is copyrighted.

Acceptable behavior in the writing process includes consulting writing handbooks such as the *MLA Handbook for Writers*, acknowledging authors in the body of the text and on the reference page, discussing the assignment with others for clarification, discussing ideas in literary works for understanding, reviewing peer drafts for revision, and participating in classroom activities pertaining to the writing process.

I. Plagiarism Policies

Review each of the policies below; then put initials in the box next to each policy to indicate that you have read it and understand it.

I understand that plagiarism includes:

- Submitting work that is not your own
- Copying a friend's work
- Allowing someone to copy your work
- Sharing student work that should be independently produced, i.e., sharing Google docs for independent work, using Google translate or any other translation site, using Quizlet to complete an assignment, etc. Submitting work previously submitted in another course without the consent of the teacher
- Buying or borrowing papers
- Cutting and pasting blocks of text from electronic sources without documenting
- "Borrowing" from online sources inclusive of images without documentation
- Web publishing without permissions of creators
- Careless paraphrasing
- Poor documentation
- Quoting excessively
- Citing web information without determining its accuracy
- Failure to use your own "voice"

I understand that during research, the unacknowledged use of research sources gathered by someone else is plagiarism, as is the unacknowledged use of research sources gathered by someone else when that use is specifically forbidden by the faculty member. Failure to indicate the extent and nature of one's reliance on other sources is plagiarism. Any work, in whole or in part, taken from the internet without properly referencing the source is plagiarism. It is the learner's responsibility to be aware of the above policies and know how to properly use sources so as to avoid violating this responsibility.

I understand that if a learner uses or relies on others' work in preparing any academic materials (i.e., written assignments, posters, presentations), the learner must cite the source correctly according to the directions provided by the instructor. Failure to do so is plagiarism. Copying and

pastings even part of a sentence or phrase is plagiarism, even when the source is cited correctly. Paraphrasing a source in a way that copies the phrase or sentence structure of a source is also plagiarism. To avoid plagiarism, learners are expected to properly paraphrase other's ideas and parenthetically to cite the source.

II. Consequences

I understand that if any assignment submitted is found to be plagiarized, I will incur:

- A zero on the assignment
- Parent notification
- Administrative consequences: subject to suspension for cheating which can result in loss of any credit for any work due during that day. The student must report to school but will not attend classes. The student must make up all assignments but may not get credit for that work. A student that has been suspended cannot participate in any extra-curricular activity on those specified days. (per SLCHS Student Handbook)

III. Plagiarism Training

Read the statement below regarding how you have been trained about plagiarism - - what it is, how to recognize it, how to avoid it, and what the penalties are for committing plagiarism at this school. Put your initials in the box next to each statement that is true for you.

I have viewed the YouTube video titled "What is Plagiarism?" found on each class Moodle page. (Freshman, Sophomore, Junior, Senior class pages)

I have read the introduction to plagiarism on the first page of this contract.

I have attended, participated in and fully understand the lesson taught on plagiarism in my English class.

IV. Plagiarism Statement

Read the statement below and sign/date beneath it to indicate agreement and understanding.

I have read the policies on plagiarism from the learning facilitator and understand them. If I have any questions about plagiarism, I have already addressed them with my instructor to my satisfaction. I will do everything I can to avoid committing plagiarism, including (but not limited to) allowing sufficient preparation time for assignments, saving electronic drafts of my assignments at each stage of development so I do not lose them and taking notes in my own words from outside sources that I use. Any work I submit with my name on it will reflect my own ideas and effort. I will properly cite all material that is not my own. I understand that there is no acceptable excuse for committing plagiarism and that doing so is a violation of the plagiarism contract. Should plagiarism be found in my work, the incident will be reported to Administration. The penalty for this violation is a zero on the assignment, parental notification, and administrative disciplinary consequences deemed appropriate.

TECHNOLOGY POLICY

(Adapted from St. Joseph Academy's Technology Policy)

The goal of St. Louis Catholic High School's technology program is to provide students a wide array of technological tools so that when they graduate from St. Louis Catholic, they have the technology skills set to be successful in their post-high school endeavors. Likewise, St. Louis graduates should have developed habits that ensure their use of technology is responsible, ethical, appropriate, and legal.

The technology policy contains standards that support the school's mission and goals. The policy is reviewed yearly to address any new technology and issues that may have been occurred in the previous school year. St. Louis students and parents must read and agree to abide by the technology standards.

Passwords and Security

1. Students will be issued password-protected network, email, and software application accounts. Each student will be given private storage on the network servers.
2. Each student must ensure the confidentiality of his/her password. Individuals will be held responsible for the information stored or transmitted via their account or equipment even if it resulted from another individual who was given access.
3. Virus detection software and other network security applications are part of the tablet image and must be updated regularly. Students are prohibited from deleting, disabling, or preventing updates to the security applications. Students are required to log onto the network daily to obtain the most recent security update.
4. Student users are prohibited from any action that will compromise the privacy and/or security of users.
5. The student has no reasonable expectation of privacy.
6. All storage, network communication, equipment, and software provided by St. Louis Catholic High School remains the property of St. Louis. While the school endeavors to honor the privacy of the individual whenever possible, it does reserve the right, however, to access any email, file, network transmission or other information stored on or communicated through its property should a compelling reason arise to do so. Furthermore, St. Louis Catholic retains the right to monitor network activity in any manner it sees fit.
7. Students using SLCHS email or internet access are representatives of the school and are expected to act in a manner consistent with the school's goals and values. Communications on the internet and/or using school email reflect on the school and must not damage the reputation of SLCHS.
8. SLCHS students are not allowed to change the display name on their email address.
9. Students are not permitted to participate in chat rooms, games, or email during class time unless these activities are authorized by the teacher.
10. Students must use the school-hosted email account to communicate to and from faculty and staff members and must also use proper email etiquette.
11. Webcams are provided on the school tablet for educational purposes only.

Responsibilities of the Student Regarding Tablets

1. Students are required to bring their tablet to school every day.
2. Students must keep their tablet in the SLCHS-provided carrying case when not in use. (Simply transporting the tablet in the student backpack is not acceptable and poses the potential for the tablet to be damaged.) Failure to properly transport the tablet may result in disciplinary consequences. Additionally, the cases are the property of the school and are
3. assigned to students. Care must be taken with the carrying cases so that they last from year to year.
4. It is the student's responsibility to charge his/her tablet battery overnight so that they are fully charged and ready for school the following day. Critical files not stored in one of the cloud drives

should be backed up to the network, CD, or flash drive, on a regular basis. Students having difficulty with the functioning of the tablet should see the Help Desk immediately – before school, in between classes, during lunch, or with a written pass from a teacher. Likewise, tablet malfunction is not an acceptable excuse for failure to turn in work.

5. Tablets should never be left unattended and/or unsecured, loaned to others, or otherwise placed in situations that are likely to increase the possibility of theft or damage. Students are to take tablets home each day and not to leave them in their cars, for example, where they might be damaged by extreme temperature conditions.
6. Once the tablet is no longer on the SLCHS campus, it is the responsibility of the parent and student to ensure that the tablet is being used for educational purposes only. Home monitoring of the student's use of the tablet is determined by the parent and is the responsibility of the parent. The school is not liable for injuries caused while a student operates the tablet.

Help Desk Policies

1. The Help Desk is open before school in the morning and throughout the school day. Students needing assistance may contact the Help Desk before school, between classes, during lunch, and/or with a pass from a teacher. Students must be proactive in the maintenance of their tablets and seek help from the Help Desk as soon as there is an issue with the tablet.
2. Students must log into the school domain regularly to download important updates.
3. Students must back up important files on a regular basis.
4. The tablet warranty covers tablet component failure. However, the warranty coverage does not include damage that is aesthetic, intentional, or the result of neglect, abuse, or an accident. The student/parent is not charged for repairs covered by the warranty. Additionally, such items as the stylus are not covered by the warranty and the student is responsible for the full cost of replacing such accessories.
5. In situations where the tablet is damaged due to negligence, misuse, or carelessness, the student will be responsible for the entire cost of the repair. Negligence and/or misuse instances are determined by the Deans of Students and may result in disciplinary consequences in addition to monetary consequences.
6. In the event of a stolen tablet, the student is responsible for the out-of-pocket cost for replacing the tablet. Before a student is issued a replacement tablet, the student must contact the police and file a police report which must then be provided to the school.

Prohibited Actions

1. Participating or conducting in any activities which are illegal by city, state, or federal law
2. Violating any of the school's policies
3. Infringing upon software copyright and/or licensing agreements
4. Purposefully viewing, displaying, storing, or transmitting any obscene or discriminatory material or material deemed terroristic, gang-related, etc.
5. Threatening, bullying, or harassing others

20. Soliciting donations without written school approval
21. Promoting private businesses, product advertisement, or political lobbying
22. Destroying the integrity of computer-based information
23. Altering system files and/or configuration to disrupt computer or network functions

Consequences of Violations

It is a privilege for SLCHS students to have the use of a school-owned tablet device. Students whose behavior and/or repair record indicate careless use or abuse of the tablets will be referred to the Deans of Students for appropriate disciplinary action. Consequences of violations include but are not limited to detention, suspension or revocation of tablet use, denial of internet access, and network privileges.

St. Louis Catholic High School has the right to restrict or terminate network and/or internet access at any time to protect the integrity of the network or to prevent misuse.
